

Programme Educational Objectives (PEO)

The research-mode programme is designed to produce graduates who meet the following five (5) objectives:

PEO 1: Able to integrate concepts, theories, methods, and up-to-date knowledge in conducting high-quality and impactful research for the betterment of local and global communities.

PEO 2: Graduates who are proficient in critically and accurately analysing issues and capable of exploring creative and innovative solutions through various digital platforms.

PEO 3: Practise values of professionalism, sustainability, and ethics in fulfilling their responsibilities to employers, society, and the nation.

PEO 4: Possess effective and confident communication skills in conveying knowledge orally and in writing and demonstrate an entrepreneurial mindset and skills in their research work.

PEO 5: Capable of exploring new knowledge and engaging in cross-disciplinary collaboration that contributes to the development and socio-economic sustainability of society and the nation.
