1. Log on to: **https://jcr.clarivate.com/**
   Notes: If outside of USM (e.g. work from home):
   (i) Log on to OpenAthens here with your USM e-mail credentials:
   https://my.openathens.net/?entityID=https%3A%2F%2Fidp.usm.my%2Fopenathens
   (ii) Click on "Journal Citation Report JCR - Clarivate Analytics"

2. Type in the name of a specific journal, for example "Cellular Oncology". Click on the second search result that appears:

   Notes: Some journals do not yield multiple search results. If there are multiple results with the same journal name, the latter search result should be the definitive one.

3. A new window will appear. Scroll down and click on the "Rank" tab where the Q1-Q4 will be displayed here:

   Notes: In this case, the journal falls into three categories. Any category with the highest quartile will be taken as the definitive quartile. In this case, it is Q1.
